

# Dinja Waħda Notice Board

The notice board was changed again.

## THEME: Spring time / Ir-Rebbiegħa

- Several flashcards related to the theme were put on the board to make the display more appealing to our little pupils.
- The location that was selected was the Bird Park found at Kennedy Grove. We usually take our pupils for an educational outing to this location.
- The animal in focus was the Spanish Sparrow/l-Għasfur tal-Bejt. A pupil student got some information about maltese birds.
- Another pupil wrote on the wild flower called Fidloqqom.
- Finally we gave some information about the life cycle of plants.
