

Minutes: 21st February, 2014

Today, Sponge Bob from *Catch the Drop Campaign* was invited to deliver a session to year 1 and year 2 pupils in the school yard.

Sponge Bob and The Captain talked to the pupils about:

- The water cycle
- What is happening to water in Malta
- Conservation of water.

During the activity:

Some pupils were invited on stage to help sponge Bob and Captain with a quiz regarding water conservation.

Pupils sang a song and acted out the lyrics using mimes and gestures.

Pupils played a simple game using tennis balls and toilet paper tubes so as to understand what happens to rain water.
