

Minutes: 3<sup>rd</sup> February 2014

Mr Gatt was present during this meeting

- First, the pupils looked at the photographs and the videos of the activities they had been part of till now.
- Then Mr Gatt prepared an activity in which he explained the purpose of recycling bins and the reason why these bins are coloured coded.
- Mr Gatt highlighted the importance of reusing before recycling especially when using paper.
- Pupils were shown two videos 'Plastic World' and 'Global Warming'. These two videos will be uploaded on the school's website.
- The pupils involved themselves in the discussion and they came up with their own ideas of what can be done to help reduce the amount of plastic used and to reduce the global warming effect on our planet.

Next meeting: Wednesday, 12<sup>th</sup> February.
