

Minutes: 4th December 2013

Making Christmas Gift Bags and Christmas Cards

- The parents and pupils (Eko Skola committee and Year 1.3) were invited for this activity.
- The parents responded well to our invitation.
- The pupils together with their parents created Christmas gift bags and Christmas cards out of cereal boxes. Then they used recycled magazines to decorate these objects.
- The parents were also shown the 123greeting.com website. Through this site parents will be able to send e-cards.
- The parents, together with their pupils were shown how wrapping paper can be made by making use of old magazines.
- Photographs of this activity were taken. These photographs will be uploaded on the school website.
- Before the activity, two Eko Skola Committee members took the readings of the water consumption meter.

Next meeting : Monday 9th December, 2013
