

12<sup>th</sup> November, 2015

- As per Environmental Review the following points were noted:
  - not all classes are using green bags;
  - in some cases tissues were found in green bags;
  - water taps in toilets were running;
  - some pupils are not bringing healthy lunches to school;
  - lights are being left switched on when not needed;
  - EkoSkola board needs updating;
  - more plants need to be planted in the school yards.
- Members decided to continue working on all action plans that last year's EkoSkola committee was working on due to the fact that work still need to be done on the following:-Water, Healthy Lifestyle and Waste.
- Members decided to prepare Healthy Sandwiches with Red Kidney Paste and Hummus on the 26<sup>th</sup> of November, 2015.
- Pupils are to ask help from parents of the School Council for the preparation of the Healthy Sandwiches.
- Dylon Bongailas (Eko Skola committee member) gave feedback of the Pumpkin soup day to all members.
- The EkoSkola Adult Committee discussed the different roles that one can find in the EkoSkola Committee.
- During the next meeting the EkoSkola Committee and Subcommittee will be formed.
- Next meeting will be held on the 3<sup>rd</sup> of December, 2015.
