

10<sup>th</sup> November, 2016

- We discussed the schedule for the first term. The Eko Skola meetings will be held as follows:

15th November @12:30

1st December @10:00

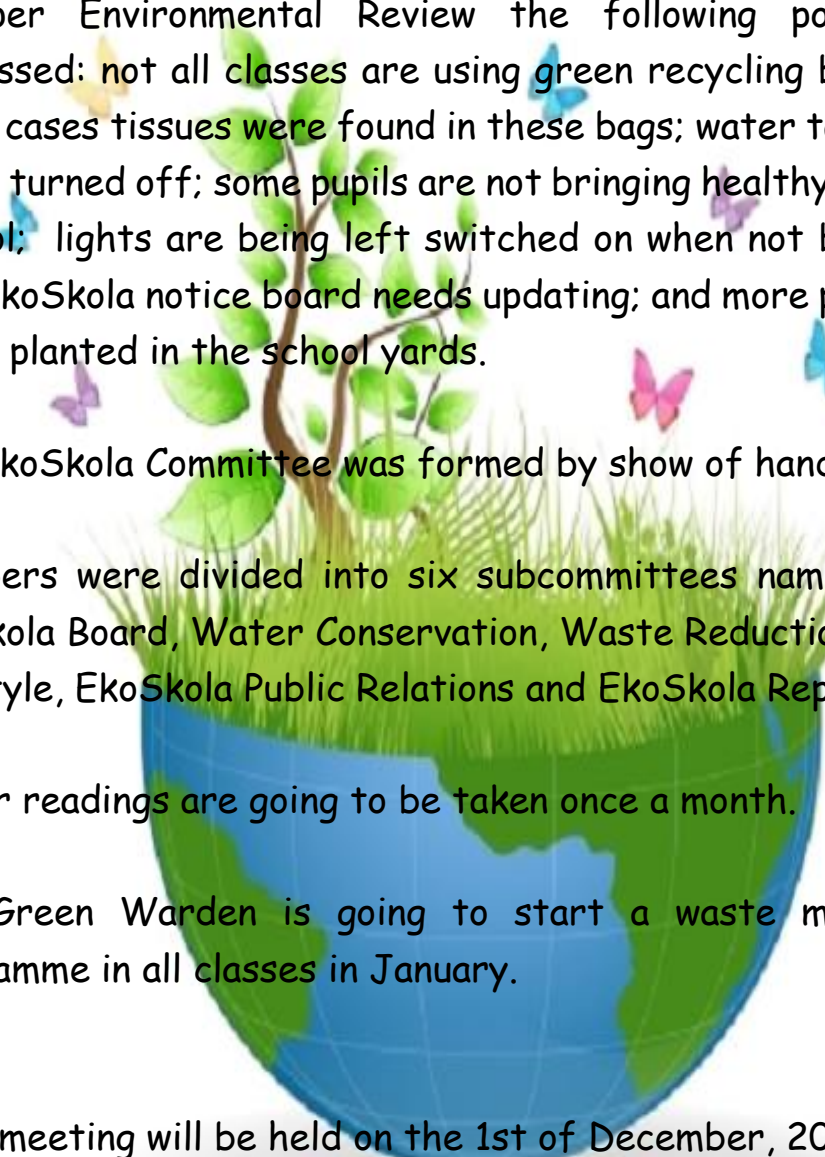

5th December- Outing - Old People's Home (We still have to discuss this).

10th January @12:30.

- On the 15th November, some parents (Eko Skola Committee) will be coming to school before 12:30pm in order to start the project regarding the tyres.
- We discussed the roles that the adults in the committee shall have. The roles are as follows:
  - Minutes- Ms Romina Coreschi
  - Healthy Lifestyle- Ms Abigail Piscopo
  - Water Conservation - Ms Patrizia Zammit
  - Waste Management- Ms Marion Gordano
  - Board, crafts and resources- Ms Francielle Bonnici and Ms Carmelina Borg.
  - PR- Mr Dominik Kulweit
- Since we are aware that Mr. Kulweit can only attend early in the morning, most of the PR will take place during special assemblies so that he will be present.

15<sup>th</sup> November, 2016

- 
- A decorative illustration of a globe with a tree and butterflies. The globe is blue and green, showing continents. A tree with green leaves and a brown trunk grows from the top of the globe. Several colorful butterflies (pink, blue, purple) are flying around the tree and globe.
- As per Environmental Review the following points were discussed: not all classes are using green recycling bags and in some cases tissues were found in these bags; water taps are not being turned off; some pupils are not bringing healthy lunches to school; lights are being left switched on when not being used; the EkoSkola notice board needs updating; and more plants need to be planted in the school yards.
  - The EkoSkola Committee was formed by show of hands.
  - Members were divided into six subcommittees namely - ; the EkoSkola Board, Water Conservation, Waste Reduction, Healthy Lifestyle, EkoSkola Public Relations and EkoSkola Reporters.
  - Water readings are going to be taken once a month.
  - The Green Warden is going to start a waste management programme in all classes in January.
  - Next meeting will be held on the 1st of December, 2016.
