

Tuesday 31st January 2017

Eko skola Meeting: Ms Piscopo, Ms Coreschi, Ms Bonnici and Ms Giordano were present for the meeting
Fund raising activities were discussed.

We discussed the possibility of having fresh orange juice day, smoothie day, healthy pizza day and a fruit kebab day.

The fund raising activities would take place over two or four days depending on the activity.

We discussed the idea of buying a small tractor but we decided against as it was too expensive

It was also discussed that on Wednesday 15th February and on Thursday 16th February two special assemblies were to be held at school one for the kinder classes and another for the primary classes.

We discussed the possibility of having a quiz for the primary classes and a chart for the kinder classes.

Parents offered to help with finding pictures to compile the chart.

Ms Piscopo and Ms Coreschi offered to plan the questions for the quiz.

Another meeting is to be held on Tuesday 7th February with the whole eko skola committee to discuss the special assemblies.
