

Hello children, how are you?

We are fine. We are doing our best to stay inside and stay safe. What about you?

Well done for all the work you did. Did you like the links? We are not giving you a lot of work to do so that you will have time to read, play and cuddle with your carers as well. Remember that reading is very important.

Together with this letter you are going to find a copy of handouts that you need. Following the handouts there are the answers to help your carers check your work. On Tuesday, 31st March you will not find any handouts since it is a public holiday. Try to read more during this day.

You will also notice that there is a new link for this week. It is about '[Movement and Physical Activity](#)'. Enjoy!

We love you!
