

Hello children. How are you?

For this week, you will notice that you will have written work for Monday and Tuesday only. There will be the Easter Holidays from Wednesday 8th April till Friday 17th April.

During the Easter Holidays it is important that you read everyday. You may also do some online Mathematics and general games. You can access the year two links in the website to find different games.

A screenshot of a table with four columns: 'English in Year 2', 'Maths in Year 2', 'Science in Year 2', and 'Be creative'. Each column contains a list of links or resources for that subject.

You may also continue the challenges we had given you before the daily work, from the school website.

Those of you who would like to do some Easter crafts may access the links in the Links page of this week.

We love you and Happy Easter. ❤️
