

Hello children, how are you?

Did you eat a 'figolla' or an Easter egg? Did you do an Easter card or an Easter craft? We are fine. We baked a 'figolla' and ate it all!

Now that the Easter Holidays are over we will be uploading work again which you are going to do every day. As we have already explained it is important that you follow the work daily. Every Wednesday, you will have reading and then an activity to follow.

We are going to remind you how you may complete your tasks. On the school's website you are going to find a copy of handouts that you need. You either print the handouts or else write your answers on a copybook. Following the handouts there are the answers to help your carers check your work.

Stay inside and stay safe! We are missing you and we love you! ❤️
