

## Shape hunt

### What do you need?

- Shapes flashcards / Draw the shape on a piece of paper.
- Different objects in different shapes.

### What to do:

- Hide different objects around the room or use any small objects which can be found around the house.

- Put the shapes you draw/flashcards on the floor.
- Ask the child to tell you the names of the shapes.
- Ask him/her to find the objects you hide or find small objects around the room.
- Sort the objects according to their shape.
