

Hello children how are you?

We are fine. As we do every week, we are preparing some work for you to do. You will soon have your copybooks and workbooks that we have used in our classroom. You can see the work you need to do for this week on the school website.

Continue to do your school work, read, play a lot and keep on staying inside!

We love you! ❤️

Year 2 teachers,

Dear parents/guardians,

As from Monday 11th May, on the school website, you are going to find a link. You will need to start using this link so that you will be able to access a programme called Padlet. You may use Padlet on your computer, tablet, laptop, or even on your personal mobile phone.

Through Padlet you will be able to know what your children need to complete every day and you will also have the opportunity to upload a photo of your children's work so that as teachers, we can provide feedback on the particular work. During this week you will

receive a message on your mobile phone with another link to be used on Padlet. This link will give you access to upload your children's work according to their respective Year 2 class.

Therefore with the first link, you will be able to check which work should be done day by day, and with the second link you will be able to upload your children's work specifically in your child's class.

As from Monday 11th May, together with the link that you will find on the school website, you will also find some guidelines and information which will help you to start using Padlet.

Thank you for your cooperation

Year two teachers,

Ms. M. Buttigieg Brooks, Ms. M. Vella Montebello,

Ms. D. Seisun Incorvaja, Ms. F. Debono u Ms. A. Sapiano
