## **Minutes for EkoSkola Committee Meeting 8th January 2020**

During this meeting the members came up with the idea of an open space in the school grounds where they can carry out reading sessions, art/music lessons and other activities. They said they wanted to have a place without desks and chairs where they could learn in the open air.

It was decided to hold another meeting in the area chosen for this project.

## **Minutes for EkoSkola Committee Meeting 12th February 2020**

During the second meeting re this open space, the members together Ms R Coreschi and Ms A Vella discussed what they wished in this open space. The members expressed their wish to plant more trees and flowers and also said they wanted to have bean bags to sit on and tables to use during art lessons. During the discussion the pupils suggested that they should call this open space, Our Secret Garden.

Since the school is committed to promote the 3 Rs it was decided to write a circular asking the parents to donate disused garden furniture and left-over paint to embellish the area.
