Alphabet Reference Sheet

The handwriting practice sheet contains the following letters and their stroke orders:

- O**: 1. counter-clockwise curve from top to bottom.
- o**: 1. counter-clockwise curve from top to bottom.
- 8**: 1. counter-clockwise curve from top to bottom, 2. counter-clockwise curve from bottom to top.
- 9**: 1. vertical line down, 2. horizontal line right, 3. counter-clockwise curve from right to top.
- C**: 1. counter-clockwise curve from top to bottom.
- c**: 1. counter-clockwise curve from top to bottom.
- 2**: 1. vertical line down, 2. counter-clockwise curve from bottom to top.
- 3**: 1. counter-clockwise curve from top to bottom, 2. counter-clockwise curve from bottom to top.
- Z**: 1. diagonal down-right, 2. horizontal left, 3. diagonal up-right.
- z**: 1. diagonal down-right, 2. horizontal left, 3. diagonal up-right.
- X**: 1. diagonal down-right, 2. diagonal up-right.
- x**: 1. diagonal down-right, 2. diagonal up-right.
- W**: 1. diagonal down-right, 2. diagonal up-right, 3. diagonal down-right, 4. diagonal up-right.
- w**: 1. diagonal down-right, 2. diagonal up-right, 3. diagonal down-right, 4. diagonal up-right.
- V**: 1. diagonal down-right, 2. diagonal up-right.
- v**: 1. diagonal down-right, 2. diagonal up-right.
- U**: 1. vertical line down, 2. counter-clockwise curve from bottom to top.
- u**: 1. vertical line down, 2. counter-clockwise curve from bottom to top.
- R**: 1. vertical line down, 2. counter-clockwise curve from bottom to top, 3. diagonal down-right.
- r**: 1. vertical line down, 2. counter-clockwise curve from bottom to top.
- S**: 1. counter-clockwise curve from top to bottom.
- s**: 1. counter-clockwise curve from top to bottom.
- T**: 1. vertical line down, 2. horizontal line right.
- t**: 1. vertical line down, 2. horizontal line right.

Appendix 2

Order in which Letters could be taught

c, a, d, g, q, o, r, n, m, h, b, p, i, t, j, f, k, x, u, y, l, v, w, z, e, s

|   |   |
|---|---|
| c | say - around and stop   |
| a | say - around, up and down   |
| d | say - around, up to the top and down  |
| g | say - around, up, down to the bottom and around                                   |
| q | say - around, up, down to the bottom and tail                                     |
| o | say - around and up around  |
| r | say - down, up, around and stop   |
| n | say - down and up, around, down and stop  |
| m | say - down and up, around, down and up, around, down and stop                     |
| h | say - down from the top, up to the middle, around and down                        |
| b | say - down from the top, up to the middle and around                              |
| p | say - down to the bottom and up around and stop                                   |
| i | say - down, lift and dot  |
| t | say - down from the top, lift and cross   |
| j | say - down to the bottom, around, lift and dot                                    |
| f | say - around at the top, down, lift and cross                                     |
| k | say - down from the top, lift, cross outwards and cross downwards from the middle |
| x | say - down across, lift, back across  |
| u | say - up and around, up and down  |
| y | say - down across, lift, down across to the bottom                                |
| l | say - down from the top   |
| v | say - down across and up across   |
| w | say - down across and up across, down across and up across                        |
| z | say - over back and across and over again   |
| e | say - across, around and stop   |
| s | say - around and forward around   |

# Appendix 4

Here are the practice pages – start at the position of the light dot then follow the line directions – go over the black one first, then move onto the grey version and then follow on freestyle! Angle the paper to the right and move it slightly to the left to encourage an open style.
